

NEWSLETTER 1A OF 2010/2011 (June 2010)

Dear Member

Please note that the Premiership fixtures for the forthcoming season are already out. The August and September fixtures are as follows.

Sat 14 th August	United	V	Newcastle Utd
Sat 21 st August	United	V	West Ham
Sat 18 th September	United	V	Liverpool

Please note that these dates are liable to change due to television requirements.

Whilst at this stage we are still unsure of the number of tickets the Branch will be allocated, since this will be dependant on the number of members registered as at the 31st July, we are now taking requests for the above tickets.

You need to remember that allocation of tickets for the Newcastle and West Ham games will be allocated on a first come first served basis whilst the Liverpool game will be allocated based on a draw. The closing date for the 3 games will initially be the 15th July. This may be extended for the Liverpool game at a later date, but those who have requested tickets before the 15th July will be given priority.

It should be borne in mind that once tickets are requested you may be liable to pay for same in the event that you cannot subsequently attend. Tickets are not transferable to anyone else without the consent of the Committee.

Needless to say, before applying for tickets you must be a registered Branch member.

A further communication on this subject will be sent to you in due course for other games. Members are welcome to put their names down now but the 'first-come-first-served basis' arrangements will not apply for games selected for the official Branch trips. (The decision for this will be made once the Champions League fixtures are determined.)
