

## NEWSLETTER 2 of 2010/2011 (JULY 2010)

### MEMBERSHIP RENEWALS/ VISIT OF PLAYERS TO GIBRALTAR/ TICKET NEWS

Members who have still not renewed their membership are reminded that they should do so by the **15<sup>th</sup> July 2010**.

The Branch is at an advanced stage of arranging a further visit to Gibraltar of some Manchester United players hopefully in either September or October to coincide with the International break. No doubt a number of events will be organised during the visit but it should be borne in mind that where there is an event which has to be limited to certain numbers priority will be given to members who have renewed the membership by the 15<sup>th</sup> July 2010.

The fixture list for the forthcoming season has already been announced. We are still awaiting confirmation on the number of tickets which will be allocated to the Branch, but this will be very much dependant on the number of members the Branch has registered with Manchester United by the 31<sup>st</sup> July 2010. We are also awaiting details of closing dates for the request for tickets and as soon as these are received members will be notified accordingly. Ticket allocation will be made as follows:-

**Non high Profile Games** – On a first come first served basis.

**High Profile Game ( Chelsea, Liverpool, Arsenal, Man City, Blackpool (last game of the season) and games covered by the Official Branch Trips ( Games to be announced in early September)** – Priority will be given to members who have renewed their membership or new members who have renewed or applied for membership by the 15<sup>th</sup> July 2010. In the event of oversubscription there will be a draw to determine who will be allocated the tickets. In the event that there are still some tickets left after this ruling, these tickets can become available to those members that renewed or have become members after the 15<sup>th</sup> July 2010.

It cannot be stressed enough the importance of renewing the membership before the 15<sup>th</sup> July. The advantages are summarised as follows:

1. Priority in obtaining tickets for high profile games ( as listed above).
2. Priority in any functions organised by the Branch when Man Utd officials visit Gibraltar in the event of oversubscription.
3. Being entered in a draw for a free raffle for a free trip to Old Trafford when the branch organises the annual trips. This includes flight, accommodation transfers and a ticket for each game.

Members who have renewed the membership can collect the receipt from the club premises during normal opening hours. Ask Pedro (the bar steward) for it.

### **THE COMMITTEE**
